Poor Law Board
Somerset House

10th January 1848.

Sir,

I am directed by the Poor Law Board to acknowledge the receipt of your letter of the 26th ult^o stating ^{the nature of the} relief proposed to be given by the ~~you~~ of the Administer Union to be given to the paupers ~~from~~ ^{from} Froom & William White -

Sent 1/11

The Board sanction the allowance of the ^{outdoor} relief proposed to be granted by the Guardians to the paupers ~~from~~ ^{attention} ~~from~~ Froom Eli Esticott & William White ^{whose cases were} ~~as~~ reported to the Board in your letter of the 10th ult^o -

Sent 10/11/48

In sanctioning the relief proposed in these cases the Board however desire to refer ^{call the attention of} the ~~you~~ to the great increase in the expenditure

Charles Bond of
Act to the ~~you~~
of the Administer ~~you~~

of the Union, ^{which is} referred to in the
report of the Auditor an extract
from which was transmitted
to the Gen with the Board's
letter of the 1st inst. - Instead
of granting clothing or other out
door relief in aid of wages, the
Board recommend, in exceptional
cases, that a child of a large
family should be taken into
the workhouse & the workhouse
rendered more generally available
for the relief of able bodied applicants
& their families. That the
Auditor's report leads the Board
to believe has lately been the
case in the Exminster Union.
