

SHERIFF RECEIVES WORD OF DUPREE'S WHEREABOUTS

Sheriff O'Donnell Friday received a letter from the authorities in Houston, Tex., to whom was sent a bench warrant for the arrest of John Dupree, charged with taking improper liberties with a minor child and who is awaiting trial here for the alleged offense. The communication stated that Dupree had been in Houston but had gone to another town. It is said that Thomas Cusick, who was Dupree's bondsman, and who also is wanted here, is accompanying Dupree on his travels. It is expected the warrant will be forwarded to the other town in the hope that Dupree and his companion may be apprehended.
